Hi, Kids
it's Otto!

Every time you come back to DeLurgio Orthodontics for an observation appointment, there's something new and exciting to check out!

 **See how much you've grown! We'll measure your height and see how much taller you've gotten since your last visit.**

 **Spin the Prize Wheel! You never know what fun surprise you might win!**

 **Check on your smile! We'll take a peek at your teeth and let you know when your smile is ready to start its orthodontic journey.**

I can't wait to see you each time you visit and watch your smile grow right along with you!

Keep smiling, keep growing, and keep collecting those pins!

Your friend, Otto DeLurgio
